MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Don I. Wortman
Deputy Director for Administration

RE: Chief Auditor Position

Frank:

1. I've launched contacts with:

- Ass't Inspector General at DOT
- Arthur Anderson Veep

Should have some feedback in a week or so. I will call others, too.

2. I've told these contacts we will accept able people from industry (Big Eight) who would, say, only commit to a two-year stint.

3. Told  what I was doing. Waller feels you and DCI should focus on who is to replace him before we get too far out front on recruiting Chief Auditor.
